

## CURRICULUM VITAE

Name: **MICHAEL C. IRVING, Ph.D.**

Profession: Psychotherapist/Sculptor

Address: 274 Rhodes Avenue  
Toronto, Ontario, M4L 3A3  
(416) 469-8267  
e-mail: [mci@irvingstudios.com](mailto:mci@irvingstudios.com)

### **Education:**

1995 Ph.D., Professional Psychology: The Union Institute  
1988 M.A., Counselling Psychology: Vermont College of Norwich University  
1986 B.A.: Vermont College of Norwich University

### **Relevant Professional Experience Overview**

Worked as a psychotherapist in private practice with individuals, couples and groups aging from youth to seniors. Extensive experience working with youth and adult survivors of childhood trauma and single incident trauma, counselling people on life skills, anger management and career issues. For more than 25 years has led workshops on - healing emotional trauma through regressive therapies, mind/body integration, dissociative disorders, ego state therapy, art in therapy, pre and perinatal issues and project visioning. Served EAP and insurance referrals.

Lectured on such diverse subjects as psychotherapy techniques, childhood sexual abuse, community arts, art as healing, sculpting and carving, art history, mythology, serpent/dragon myth, art therapy, birth symbolism, dissociation and DDIS. Conducted local and national child abuse awareness campaigns.

Taught in college, adult education, elementary schools and nursery school settings.

Published journal articles and poetry. Has been written about and had his community work and art featured in newspapers, films, medical magazines and on radio and television.

Dr. Irving has a strong focus on participation in the community. For over twenty years he has served on numerous school committees including: conflict resolution, policy development, staff hiring and extensive in-class volunteering. He served as Artistic Director/Executive Director of a community arts and social healing initiative, The Child Abuse Survivor Monument Project, where he provided supervision and support counselling to on-site volunteers who were youth in care, high school students, graduate interns, child abuse survivors, new Canadians, developmentally disabled individuals, and high functioning adults.

Hobbies: Sculpture, movies, camping, canoeing, computer art and graphics. Exhibited in group and one man shows. Has sculpture in private and corporate collections internationally. Developed and produced large and small web sites.
