

GIVE KIDS A HAND

YOUR HandPrint WILL BE PART OF THE "REACHING OUT: AMERICA" MONUMENT

Sculptor Michael C. Irving, Ph.D. designed the massive "Reaching Out" monument to optimize participation. HandPrint messages of the Monument create a national collective visualization or prayer.

"Reaching Out"

Michael C. Irving, Ph.D., Sculptor

Inside the finished "Reaching Out" bronze figures will be space for hundreds of thousands of hand outlines and messages. Many have already been collected. You are invited to add a message of your feelings about abuse and your dreams for the treatment of children. The Monument will hold our national Dream.
